[How to pay by credit card]

The credit cards listed below can be used to make payments.

Your credit card statement will show that the payment has been made to the name of JTB Corp., which is the agent handling registration.

Visa, MasterCard®, JCB, AMEX, Diners Club

This system supports 3-D Secure for certain cardholders in order to provide a more secure online payment experience.

What is 3-D Secure?

The payment system obtains information (IP address, browser used, operating system, etc.) from the terminal used for card payment. As a result, only when the system determines that there is a high risk of fraudulent use, it asks the user to enter a password registered on the card brand site (see below).

Verified by VISA (used by VISA) (<http://usa.visa.com/pay-with-visa/featured-technologies/verified-by-visa.html>)

MasterCard® SecureCode™(TM)(MasterCard®) (<https://www.mastercard.us/en-us.html>)

J/Secure™(TM)(JCB) (<http://www.global.jcb/en/products/security/jsecure/>)

AMEX (American Express Safekey) (<https://www.americanexpress.com/jp/security/safekey.html>)

Diners (3-DSecure) (https://www.diners.co.jp/ja/usage/3d_secure.html)

*Some issuers allow cardholders to use the same password they have been assigned for accessing their monthly statements online or having them sent by email. If this password is not entered, or if an incorrect password is entered, the online transaction will not be completed.

*If you forget your password or experience other authentication-related issues, please contact your credit card issuer. (For more information, see your credit card issuer's website.)

[Attention]

*If you cancel the authentication process on this screen, your online transaction will not be completed. (Avoid using your browser's "Back" button.) Also, canceling the authentication process will prevent you from returning to the current application screen, so you'll need to log onto the application top page again and repeat the payment process.

*In case the payment cannot be made, please confirm the card number and expiration date and proceed again. Or try with another credit card.

Confirmation

Your registration will be completed upon receipt of your on-line registration information and payment.
